Kids Like To Move!

Kids Company Dance offers

movement arts for health and hoopla, including hopping, running, leaping, jumping, kicking, spinning, strutting, swaying, swinging, stretching, twisting, twirling and more!

Class is designed for both girls and boys. Through basic ballet, kids jazz and tumbling, children gain flexibility, strength and endurance. Kids will improve their dance skills and sense of rhythm while building self esteem.

Classes are designed to stimulate and develop an early love and comfort with moving to music. FUN TOO!
